

Kaiser Permanente Occupational Health locations

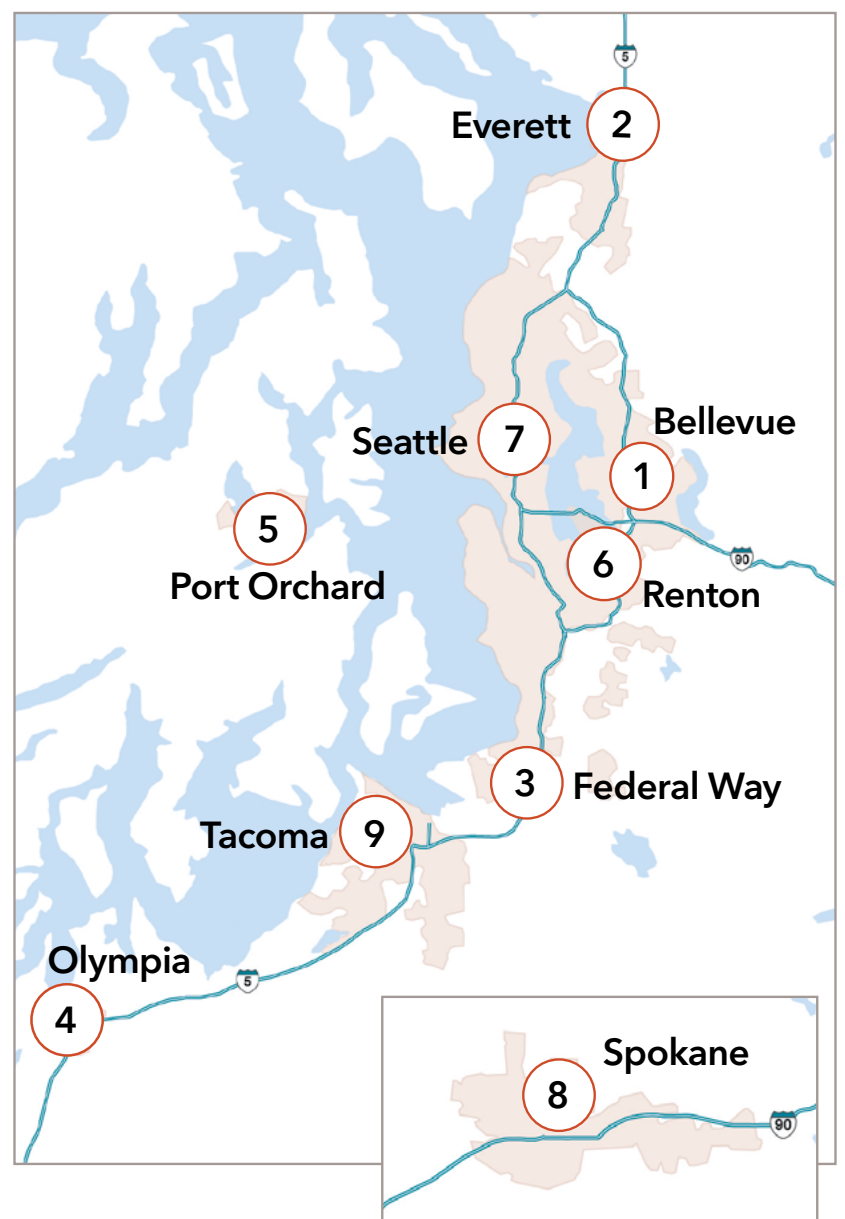

Our teams operate out of 9 Kaiser Permanente locations, 5 of which offer urgent care services. Each location features specially trained providers who are in the Medical Provider Network.

There are 2 options for visiting our clinics:

1. Schedule an appointment with Occupational Health at 1-866-967-9675, option 2
2. A walk-in visit by going to either a walk-in clinic or urgent care clinic.

For more information, call 1-866-967-9675, option 1.
